

GAC Nigeria Shipping and Logistics Services

Full support at all Nigerian ports and terminals

Established in 1977, GAC Nigeria has extensive local know-how and excellent relations with authorities and key private sector shipping, logistics, marine and transport players.

Delivering your strategy.

We combine our in-depth local knowledge with the reach and resources of the GAC Group global network to maximise your time and cost efficiency.

GAC Nigeria provides a complete range of services including ship agency, air and sea freight, marine logistics, transfers and manning from our strategically located offices.

Our head office in Lagos serves as the communications hub, coordinating the activities of our offices in Bonny Island, Eket, Escravos, Forcados and Port Harcourt.

Complete shipping support

Every year, GAC Nigeria handles more than 500 vessels calling at the country's ports. In addition to traditional ship agency, we also offer specialised services such as husbandry support for offshore operations and project cargo handling.

Efficient logistics solutions

Our local expertise and global resources ensure world-class cargo handling, customs and agency services when moving your cargo to and from Nigerian ports.

Time critical spares

By working with the GAC Group's global network, GAC Nigeria provides door-to-deck delivery of ship spares and marine parts to meet the needs of ship owners and related companies.

Trained manpower

We know how vital a well-trained crew is for the success of your operation. We meet the needs of the marine industry, particularly from the oil & gas sector, for qualified local crew.

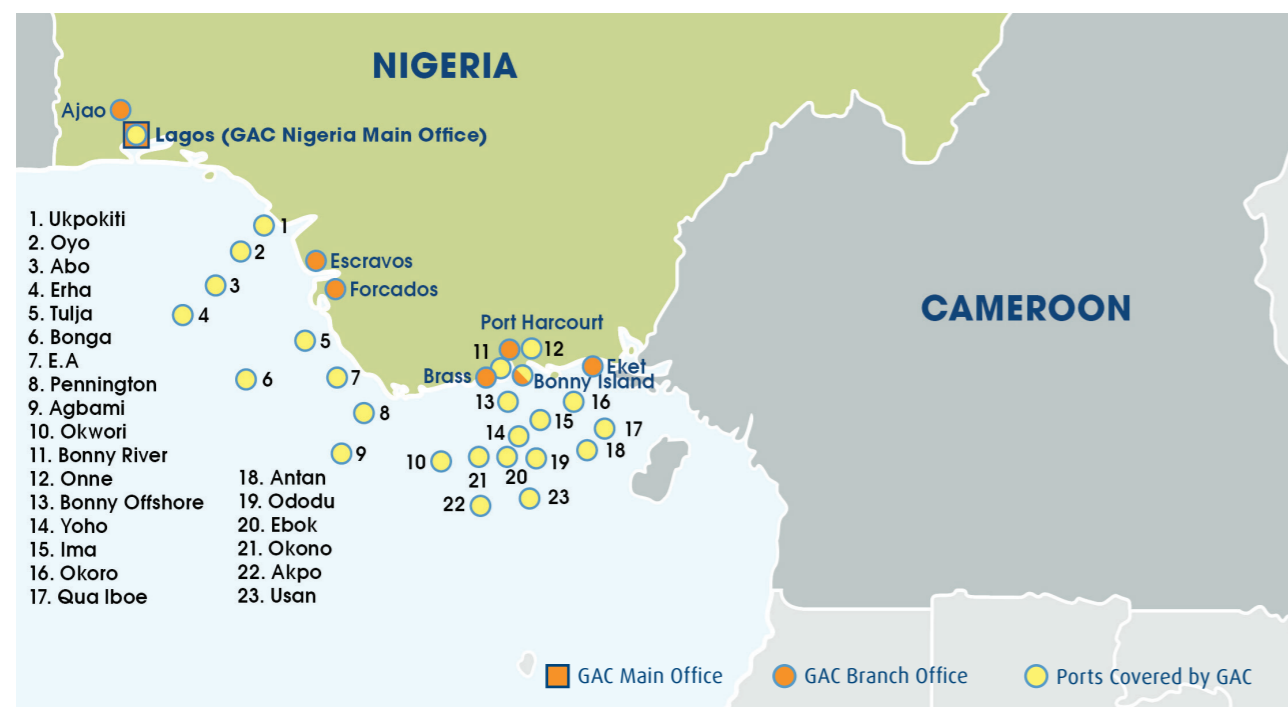

Experience our energy

GAC Nigeria understands your core needs for offshore oil & gas projects. We have the specialised technical skill and experience to meet the stringent safety and quality standards of the energy sector.
