

GAC Panama Crew Change Services

Your crew's wellbeing is our priority

You need a professional ship agent you can trust to ensure the needs of your ships and crew members are taken care of when calling at ports in Panama. GAC Panama provides prompt, efficient crew change support in full compliance with all local health, foreign relations and port authority requirements.

Delivering your strategy.

Trouble-free service for all your crew matters

A successful voyage requires a well managed plan to keep track of the ship's progress and schedule. The same goes for the seafarers working onboard.

GAC Panama's team of experienced and skilled ship agents deliver personalised crew change services with a focus on quality, care and compliance to all local and international Health, Safety, Security and Environment (HSSE) standards.

We are alongside, no matter where your vessels call in Panama.

Our deck of services:

- Assist with visa arrangements
- Provide local criteria to meet requirements for disembarkation and embarkation
- Meet & greet
- Accommodation in pre-approved facilities
- Safe transport to final destination
- Bookings for local, international and chartered flights
- Medical assistance including doctors and dentist appointments
- Personal crew matters such as prepaid telephone cards
