## 24/7 customer support

With a dedicated team assigned to each account, customers are always assured of prompt assistance for all their needs. Whether it's a request for delivery updates, cargo movement, or emergency support, GAC is available round-the-clock. We keep owners/operators/charterers informed on their vessel/cargo status throughout the port call.

## Time and cost efficiency

Besides possessing local know-how, GAC has established strong relationships with the relevant local authorities and contacts in the regional shipping communities to provide prompt turnaround for vessels

in any situation. With GAC's strong local purchasing power, savings in port expenses can often be negotiated while delivering the same high quality services.

## Ethics and compliance

At GAC, we know our clients demand total peace of mind. That is why we place a lot of emphasis on quality, safety, compliance, honesty and transparency in everything we do. Our operations are in full adherence to the Group's strict compliance and ethics procedures – underpinned by the GAC Code of Ethics and Quality, Health, Safety, Security & Environment (HSSE) policies.

Our outstanding track record and excellent relations with the local authorities enable us to provide prompt turnaround for vessels.
