

GAC Hong Kong Logistics Services

**Meeting your logistics and supply chain needs
throughout Hong Kong**

With its deep natural harbour and special relationship with mainland China, Hong Kong plays a special role in global trade, serving as an important hub for international and domestic logistics businesses.

As part of the GAC Group, GAC Hong Kong draws on in-depth local market knowledge and the global resources of the Group to provide a complete portfolio of logistics and end-to-end supply chain services at competitive rates.

Delivering your strategy.

Taking care of every link in the supply chain

GAC has been operating in Hong Kong since 1974. We serve as a single point of contact for all logistics services.

Gateway to South China

We facilitate cargo flow along the key Asia-USA and Asia-Europe trade lanes, with emphasis on traffic originating from South China. Our warehouse located near the airport helps to ensure rapid movement of cargo, making sure your goods reach the market on time and on budget.

Comprehensive coverage, extensive services

From sea and air freight to warehousing and distribution, GAC Hong Kong serves a broad range of international manufacturers, distributors and retailers in the consumer goods, textiles, pharmaceuticals, automotive,

electronics, and oil & gas sectors. Cost efficiency is ensured through our centralised freight purchasing unit and strong relations with major air and sea carriers in Hong Kong.

Total visibility of your cargo movement

Our advanced IT systems give total visibility of the progress of your cargo at every step of the supply chain and generate management reports on statistics, inventory flow and key performance indicators.

Safe and secure

In line with the GAC Group's business philosophy, everything we do is in strict compliance with all applicable measures to ensure the highest security standards for our employees and customers alike. GAC Hong Kong is part of the C-TPAT network, and complies with US Customs AMS regulation.

Professional and experienced team

Whether you need delivery updates, cargo movement, or emergency support, our team of logistics professionals is fully committed to meeting all your logistics needs, 24/7.
