

GAC Malaysia Logistics Services

**Delivering quality support for your business in
Malaysia, and beyond**

GAC Malaysia is your local partner who helps you to achieve success with our full range of logistics services from multi-modal freight management to tailor-made contract logistics solutions.

Delivering your strategy.

GAC Malaysia has been providing cost-effective logistics and distribution solutions since 1994.

Our national network includes offices in Petaling Jaya, Melaka, Ipoh, Penang and Labuan, all with excellent connections with the GAC Group global contacts and resources. Our strategic customs bonded facilities at Malaysia's premium air and sea ports enable us to offer the most cost-effective solutions to all your local and regional consolidation and distribution needs.

The GAC Malaysia package goes beyond general freight services and transportation services, with specialist teams focusing on the following key sectors:

Aviation

The aviation industry relies on aircraft clocking up minimum ground time in order to achieve profitability and efficiency. GAC's reliable teams on the ground provide a seamless, single-source service from the supplier's door to delivery, taking full responsibility for the entire supply chain. We don't just deliver your shipment, we deliver peace of mind.

Entertainment / Events

GAC takes centre stage when it comes to delivering live glamour and glitz. With our proven track record for fast and efficient turnaround for jet setting stars and their equipment on tour, GAC's specialist teams work round the clock, handling everything from the stage & prop set-up to the instrument carriage.

Ornamental fish

GAC's proven track record as one of the largest importers / exporters of ornamental and tropical fish, invertebrates and aquatic plants is built on long-term relationships with business partners, customers and suppliers from all over the world.

Project logistics

From moving massive steel frames to delicate turbine engines, GAC has the skills and strength to guarantee safe and timely delivery worldwide – even to and from the most challenging and remote locations.
