

GAC Philippines Logistics Services

Delivering integrated services with you in mind

GAC aims to be your strategic partner as you reach for success. Since 1988, GAC Philippines has been offering a comprehensive portfolio of shipping and logistics services to meet your operational needs. With our countrywide coverage, we also offer integrated solutions for cost-effective warehousing, distribution and contract logistics services.

Delivering your strategy.

Pharmaceutical logistics solutions that meet your needs

In-depth experience

With over 20 years of experience in pharmaceutical logistics, GAC Philippines has the know-how in handling anything and everything surrounding pharmaceuticals.

Customs clearance

As one of the few customs brokers for private sector-led COVID-19 vaccine imports, GAC Philippines understands the importance of proper documentation. We work hand-in-hand with the Bureau of Customs (BOC) to ensure that any cargo you import into the country is properly and efficiently processed.

Cold-chain services

- Re-icing operations
- Express air freight
- Temperature-controlled trucks that reach +2 to +8 °C
- Inter-island cold chain delivery

Comprehensive coverage and dedicated to go the extra mile

Inter-island deliveries

GAC Philippines has an extensive nationwide network that allows us to go anywhere from Luzon to Visayas, Mindanao and even as far as Palawan.

Last mile delivery and OBC services

GAC Philippines has a dedicated motor fleet designed to support B2B or Business to Last Mile operations. Likewise, our team of dedicated On-board Carriers (OBC) makes sure your package arrives secure and on time.

Success designed specifically for you

Sea freight

With our international network and comprehensive sea freight services, GAC Philippines has got your freight forwarding needs covered. We provide practical import and export options and ensure your product goes through customs properly and efficiently.

Air freight

Be it domestic or international freight, our partnerships with major airlines give you priority access to space and

competitive rates. Our express air shipment clearance service ensures your cargo is cleared in just three (3) hours!

Bulk and projects

Utilising our knowledge in both shipping and logistics, GAC Philippines is capable of handling cargo that is either too bulky or too heavy for standard containers.

Round-the-clock support

- Freight services
- Hauling, rolling cargo and RORO services
- Land transportation
- Ship spares logistics
- Solutions logistics
- Warehouse storage and cross-docking
