

GAC Sri Lanka Logistics Services

**Integrated logistics solutions in Sri Lanka
and beyond**

With offices in Colombo, Galle, Hambantota and Trincomalee, and support from the GAC Group, GAC Sri Lanka offers cost-effective logistics solutions tailored to your needs, both locally and regionally.

Combining local expertise with global resources of the GAC Group, GAC Sri Lanka has been your partner for cost-effective supply chain and logistics solutions since 1994.

Delivering your strategy.

GAC Sri Lanka offers a comprehensive suite of logistics solutions to meet the needs of our customers from diverse sectors.

Freight services

Choose GAC Sri Lanka for fast and efficient transport to and from any city around the world. You can save time and cost with our sea and air freight services.

Our substantial volumes and buying power, combined with strong relationships with the world's premier carriers, enable us to offer competitive rates to our customers and allow them to gain priority access to capacity even during peak times.

We offer Less than Full Container Load (LCL) and Full Container Load (FCL) shipment options at competitive rates and flexible service levels.

Warehousing and distribution

GAC Sri Lanka has partnered with Hemas Transportation to build an integrated logistics facility in Muthurajawela Industrial Zone in the western part of Sri Lanka. It comprises a state-of-the-art distribution centre, a container yard and a 15-acre warehouse.

Supply chain management

Our supply chain management solutions are designed to strike an optimal balance between security and flexibility so as to ensure your products reach the market on time in the most cost-effective way.

Taking a holistic view of the supply chain process, we focus on efficiencies across all elements. Our result-driven approach ensures our customers' unique business requirements and cost objectives are met.

Project logistics

For project cargo, we work with clients who need a logistics provider with the brains and the brawn to take care of all the complexities. GAC Sri Lanka has the requisite experience, skill and resources to transport heavy and oversized cargo for turnkey projects. We can manage projects of any size, from a single domestic delivery to a complex multi-shipment and multi-modal project.

Our services include

- Freight services
- Oil & gas services
- Project logistics
- Warehousing & distribution
- Supply chain management
- Events logistics

Specialised services to meet your logistics needs without compromising quality & safety

Oil & gas services

Whether it's the transportation of a drill pipe to a land-based yard, rig mobilisation, agency services for supplies and personnel, or delivering specialised heavy equipment and spare parts, GAC Sri Lanka has the knowledge and expertise to meet every challenging need.

Events logistics

GAC has vast experience in handling time-

sensitive delivery for exhibitions and events. Our specialist teams work round-the-clock to ensure all cargo arrives safely at the right place, at the right time.

All our operations comply with the Group's strict business policies and ethics. Besides being a part of the C-TPAT network, we are compliant with US Customs AMS regulations. GAC Sri Lanka is also registered under the Regulated Air Cargo Agent Regime (RCAR).

We spare no efforts in meeting your logistics requirements
