

# GAC Thoresen Logistics Contract Logistics Services

**Meeting your needs with cost-effective  
end-to-end supply chain solutions**

GAC has more than 25 years of experience in contract logistics. Today, major manufacturers, distributors and retailers from the fashion, pharmaceutical, consumer goods and automotive sectors around the world rely on GAC's contract logistics support.

Established in 1992, GAC Thailand offers a one-stop shop option for all logistics and supply chain needs.

**Delivering your strategy.**

# Getting your goods to market on time, in the right quantities and in good shape

We focus our expertise and knowledge on meeting your needs for safe storage, fast order response and minimum inventory throughout Thailand.

## State-of-the-art multi-user distribution facility

Our fully-fledged logistics facility in the Amata Nakorn Industrial Estate covers 20,000 sqm and offers 28,500 racking positions supported by end-to-end supply chain management solutions.

We also operate a modern warehousing facility in Bang Pa-In.

## The GAC Thoresen Logistics advantage

- Strict quality control at every step of the supply chain
- Full traceability of the products through the use of GACWare WMS for inventory management
- Expert logistics knowledge and experience to handle the customer's requirements
- Hygiene standards that suit food and sensitive product storage
- Value added services including component assembly, repacking and labelling
- Fast responses to any identified operational issues that may occur

## Our contract logistics capabilities

- Inbound/outbound logistics
- Fulfillment centres
- Supply chain distribution
- Reverse logistics
- Value-added services
