

GAC Thailand Shipping Services

**Complete shipping portfolio to keep your
business moving**

Established in 1992, GAC Thailand is now one of the country's leading providers of ship agency services for vessels calling at Thailand's ports and terminals.

Our main office in Bangkok coordinates the activities of our network of offices and shipping specialists who draw on their experience and GAC's range of services to meet all your shipping needs. Excellent relations with local authorities ensure prompt turn-around of vessels in ports and the resolution of any problems or discrepancies that may arise.

Delivering your strategy.

Serving your needs at all ports nationwide

GAC Thailand provides a full range of shipping services at all Thai ports.

Complete portfolio

We manage all types of port call, from load and discharge, to cruise and bunker only calls. Customers also benefit from our complementary services such as crew changes, ship to ship transfers, ship supply, global hub agency and ship spares logistics.

Total shipping capabilities around the globe

GAC Group represents the interests of more than 3,500 principals globally and handles more than 86,000 shipping jobs annually.

In Thailand, we draw on the Group's global experience and resources and combine it with in-depth local market knowledge to deliver your strategy. Whether it's a request for port calls or emergency support, a dedicated team is assigned to each account to provide assistance round-the-clock.

High quality standards

We are committed to providing cost-efficient quality services in full compliance with stringent guidelines. In addition to our commitment to Health, Safety, Security and Environment (HSSE) standards, we have also achieved TRACE certification. All GAC Thailand offices are 9001 accredited.
