Whatever your cargo, if you want to minimise your time and money spent at any port, GAC Finland is the agent you need for experienced and seamless support.

We cover ship calls at all major Finnish commercial sea ports through our head office at Helsinki and branches at Kotka and Turku.

Offshore shipping services

For ships sailing to and from Russia, we arrange offshore crew changes and spares deliveries that keep your vessels on the move. Our office near Helsinki airport is ideally located to take advantage of Schengen immigration procedures and our reliable crew solutions include safe and fast launch services, visa support, meet & greet transfers and hotel bookings.

Agency services

GAC Finland goes beyond traditional ship agency to provide specialised support for tanker agency, dry bulk and project shipments. We provide a comprehensive, customised service package that revolves around your needs.

Cruise services

Finland's islands are home to many popular ports of call for cruise vessels, where an experienced, reliable agent is a must to ensure trouble-free cruising. Our well-established working relationships with local Schengen authorities helps smooth the way for efficient immigration clearance for passengers and crew while our emphasis on planning and efficiency ensures maximum impact with minimum fuss.
