

GAC Norway Tanker Agency Services

Centralised operations to keep your business moving

The country's leading agency for tanker and offshore vessels, covering all Norwegian ports through our head office in Bergen and strategically located branches nationwide. Every year, we attend to more than 2,800 port calls.

GAC Norway's centralised 24/7 operations ensure consistently high levels of service.

Delivering your strategy.

Strong local presence and know-how

GAC Norway was formed in May 2007 when the GAC Group acquired an 80% stake in the agency Ole R. Olsen, which had been serving the country's ports and terminals since 1835.

We have the infrastructure, innovation, technology and operational expertise to deliver the efficiency you need in a competitive world.

Fast-track results

Our tanker team operates around-the-clock, all year round, to deliver quality support.

- Port clearance, bunker fuels, issue of cargo documents

- NOx reporting and in-house customs expertise
- Crew changes and husbandry services
- Integrated ships spares logistics
- Procurement of services and products at competitive rates

The GAC advantage

- Professional and experienced team
- Boarding agents at all major terminals
- In-depth knowledge and experience
- Long-term relationships with relevant authorities
- ISO 9001:2015 and Achilles JQS certified

We are committed to ethical and safe business practices and adhere to the GAC Group's stringent Code of Ethics and Health, Safety, Security and Environment (HSSE) policies.
