

GAC Europe Aquaculture Services

Complete shipping, logistics and marine solutions for
the fishing and aquaculture industry

For a strategic partner that puts your business first, look
no further than GAC for trusted, quality support across
Europe

Delivering your strategy.

Whether you operate fishing vessels, run fish farms or export marine feed, GAC Europe has the expertise to provide ship agency and logistics you can rely on.

As one of the world's largest shipping agencies, representing more than 3,500 Principals and handling over 101,000 jobs annually, GAC is alongside to ease the way for your vessels in the UK, Norway and throughout Europe.

We deliver a wide range of tailor-made shipping and logistics services to the fishing and aquaculture industry. The highest standards of customer service, operational excellence and non-stop support are central to everything we do.

We provide solutions for in-port operations and operate a fleet of workboats delivering crew, stores and spares to vessels. Our expert Time Critical Services department transport everything from live fish to specialised medicines around the globe.
