

GAC Poland

Repair and conversion services in partnership with Polish shipyards

Established in 1990, GAC Poland is part of the GAC Group, a global provider of integrated shipping, logistics and marine services with more than 300 offices and 9,000 people worldwide.

We combine our in-depth local expertise in specialist repair and maintenance services with the global resources of the GAC Group to deliver an extensive range of services to owners, operators and charterers.

GAC Poland strives to meet client needs by working with strategic local partners. Our alliances with leading shipyards in Gdansk, Gdynia and Szczecin brings complex repairs, extensive modifications and refurbishments to our service portfolio.

Delivering your strategy.

Keep your vessels moving and on track for growth

Polish shipyards operate graving and floating docks and quays fully equipped with all necessary infrastructure, as follows:
