

GAC Spain Ship Spares Logistics Services

**We deliver vital last-mile ship spares delivery services –
on time, on budget, every time**

There is no time to waste when your vessel needs urgent ship spares. GAC Spain has the reach, resources and expertise to source and deliver quality ship spares and marine accessories for prompt door-to-vessel delivery.

Delivering your strategy.

Time critical delivery to keep your vessel moving

You need a local partner that understands the demands of tight timelines, budgets and schedules. Whatever time-critical ship spares and marine parts your vessel needs, GAC Spain's team of logistics experts goes the extra mile to provide cost-effective and reliable solutions to meet your requirements.

Quick, dependable and efficient, we work with vetted suppliers for reliable door-to-vessel delivery of quality products.

From single deliveries to consolidated multiple ship spares, let us take care of finding the right solution to save you time and money.

The GAC advantage

- Specialist door-to-vessel services
- Time critical, single source delivery
- Innovative solutions for complex problems
- In-depth local experience and strong team of logistics experts
- Around-the-clock services with quick response times
- Trusted network of suppliers
- Stringent Health, Safety, Security and Environment (HSSE) practices
- Highest standards of ethical, transparent and compliant business policies

All our operations are in line with the GAC Group's Code of Ethics and Quality, Health, Safety, Security and Environment (QHSSE) policies.
