

GAC UK Shipping and Logistics Services

Fully integrated support, nationwide

For a strategic partner that puts your business first,
look no further than GAC UK for trusted, quality support
around-the-clock.

Delivering your strategy.

Whether you're an energy company, a cruise operator, a freight forwarder or organising a sailing event, GAC UK puts its global muscle and local expertise at your disposal.

We deliver a wide range of tailor-made shipping and logistics services to the oil and gas, renewable energy and shipping industries. We also meet the needs of specialised sectors such as marine leisure, automotive and aviation.

The highest standards of customer service, operational excellence and non-stop support are central to everything we do.

Propel your business

Every year, we handle approximately 6,000 port calls. We also provide a deck of support services to local terminals and operate a fleet of line handling boats.

Our complete range of freight services ensures the best-fit solution for your cargo movements, including complex sailing projects such as the round-the-world Ocean Race.
