

GAC Global Husbandry Centre

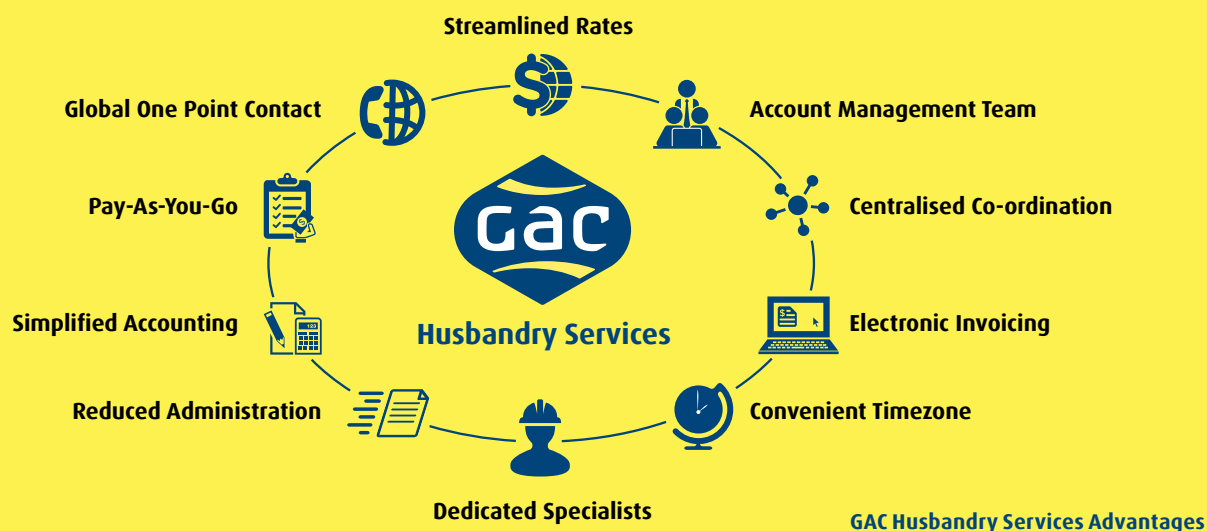

Delivering crew and services to vessels globally safely and proficiently

GAC Global Husbandry Centre (GHC) is your global husbandry agent that always has your interest in mind. Our aim is to centralise, co-ordinate and deliver your husbandry service requirements globally to ensure effective turn-around of your vessel during each port call. Operating 24x7, we ensure that your vessel husbandry needs are always attended to.

Delivering your strategy.

Centralised co-ordination, standardised rates and simple administrative procedures for optimum efficiency

Full package of services

Available at more than 1,000 ports worldwide, GAC GHC offers a full range of husbandry services at competitive prices that are tailored to meet your specific requirements. Husbandry services range from cash to master, deck and engine spares, crew changes, medical support, mail delivery and dispatch. We deliver promptly and professionally, ensuring that your vessel and crew receive the best possible care when in port.

Fast, transparent and standardised

GAC Global Husbandry Centre is your single point of contact that streamlines communications with our staff worldwide. All your husbandry requirements can be taken care of simply through a single phone or email contact.

Our services package is easily customised to your needs thanks to flexible “pay-as-you-go” pricing model. Adding to that, our standardised rates and operational procedures across countries simplify accounting and administrative burden, allowing you to focus on your core business.

Professional team

Our dedicated team of professionals provide round-the-clock support and assistance to meet your needs on time, every time.

GAC’s rich operational experience, in-depth knowledge of local regulations and strong relationships with local suppliers and authorities enable us to deliver value-for-money solutions to maximise cost efficiency without compromising quality.

Your go-to agent for all your husbandry needs 24/7 globally at any port.
