

# GAC Abu Dhabi Shipping Services

**Complete shipping services to keep your business moving**

Established in 1967, GAC Abu Dhabi is one of the leading providers of integrated shipping services in the Emirate.

We offer a complete range of ship agency and specialised services for all kinds of vessels, from tankers and offshore support vessels to cruise liners and dry bulk carriers. We have the local expertise and experience to expertly handle any type of cargo operations. GAC Abu Dhabi is also the only ship agency that can directly attend to vessels at all Abu Dhabi ports and terminals.

Excellent and longstanding relations with local authorities ensure prompt turn-around of vessels in ports and the resolution of any problems or discrepancies that may arise.

**Delivering your strategy.**

# Alongside and at your service in port or at sea, around the clock

## Experience, expertise and infrastructure

GAC Abu Dhabi draws on its five decades of experience and in-depth local market knowledge, coupled with the global resources of the GAC Group, to meet all your operational needs. Our team of specialists have the expertise and contacts to take care of all administrative and financial matters to ease the process for all your shipping operations. Whether it's a request for port calls or emergency support, a dedicated team is assigned to each account to provide assistance round-the-clock. And with our in-house logistics capabilities, you can count on us for speedy local spare parts delivery, 24/7.
