

GAC Qatar Contract Logistics Services

Delivering end-to-end logistics solutions throughout Qatar and beyond

GAC Qatar's comprehensive contract logistics portfolio covers warehousing and distribution, value-added services, freight services and more, all tailor-made to meet the unique demands of diverse sectors, from apparels, F&B, FMCG, telecommunications, and retail to electro-mechanical and Oil & Gas. Whether you are an on-line platform requiring same day pick and dispatch, or an international manufacturer looking for an experienced partner with global reach to manage your supply chain, GAC has the resources and experience to meet your needs.

Leveraging our shared resources, centralised warehousing and economies of scale for your third party logistics (3PL) and supply chain management, we use our expertise in demand planning to reduce your capital investment and respond flexibly to the fluctuating demands of the local, regional and global markets helping to increase your competitive advantage.

Delivering your strategy.

Contract logistics expertise to help you maximise your supply chain performance

As your strategic partner, GAC Qatar is committed to delivering a cost-effective and end-to-end service package to meet your supply chain needs.

We operate multiple warehouses in Ras Bufontas and Salwa with a total of 26,500m² of covered, temperature-controlled space. Operations are backed by robust technology, ensuring supply chain visibility and efficiency for your business.
