

GAC Saudi Arabia

Cost-effective and integrated services at ports throughout the Kingdom

Wide range of flexible shipping, marine, logistics and energy support services to help drive your business success.

Delivering your strategy.

GAC Saudi Arabia is one of the Kingdom's leading shipping, logistics and marine services providers, delivering services and professional support at all major ports.

From a single operational office at Ras Tanura in 1958, GAC Saudi Arabia has grown to today's extensive operations providing services at the major ports of Dammam, Jubail, Ras Al-Khafji, Jeddah, Yanbu, Duba and Rabigh, as well as the dry port in Riyadh. Today, after more than half a century of operations, we are one of the Kingdom's leading firm providing cost-effective and integrated shipping, logistics and marine solutions to a diverse portfolio of customers.

GAC Saudi Arabia is part of the GAC Group, one of the world's largest integrated providers of shipping, logistics and marine related services with over 300 offices in more than 50 countries. As such, we have what it takes to provide end-to-end support services.

Shipping services

GAC Saudi Arabia delivers integrated services to optimise operational performance and efficiency. Our local know-how and established relationships with suppliers, relevant authorities and contacts within the local shipping industry, built up over decades,

enable us to provide prompt turnaround for vessels.

We also operate our own fleet of marine launches to support operations. These vessels can assist with crew changes, security embarkation / disembarkation, bunker surveys, provisions and stores supply, vessel spares delivery and more.

Logistics services

An efficient supply chain is crucial in supporting key sectors including the energy industry.

Our suite of logistics services also supports the growing flow of cargo, project and breakbulk shipments, events logistics, air, land and sea freight forwarding imports and exports to and from Saudi Arabia.

Whether it's shore-based logistics and freight forwarding or offshore supply assistance, we have the skills and tools to ensure safe and smooth operations.

Energy services

GAC is a leading offshore and marine agency service provider in Saudi Arabia, offering a wide range of integrated services such as importing and exporting marine units, offshore materials, jackets, platforms, transportation, warehousing (including our yard within Jubail Commercial port), and handling of ultra-heavy lift cargo handling on breakbulk and cable lay barges.

We also provide specialised equipment for self-propelled modular transporters (SPMT) and light to heavy cranes for heavy reels, baseplates, carousels, and stingers.

Our marine launches support crew change requirements and provide various services, including immigration, medical support, transportation, and waste management.

Our strong reputation in the offshore sector is built on our proven service capabilities and our ability to offer cost-effective, customised operational solutions. As a result, many customers choose GAC for their

offshore business needs. We understand our customers' specific requirements and adapt our services accordingly.

With a team of highly experienced professionals, deep industry knowledge, and a customer-focused approach, GAC Saudi Arabia takes pride in consistently delivering outstanding results. We have served diverse customers with unique demands and challenges throughout the years.

Performance, safety and compliance

GAC Saudi Arabia provides cost-efficient and professional services which comply with the most stringent Health, Safety, Security and Environment (HSSE) practices.

We are committed to operational excellence and sustainability at all times.

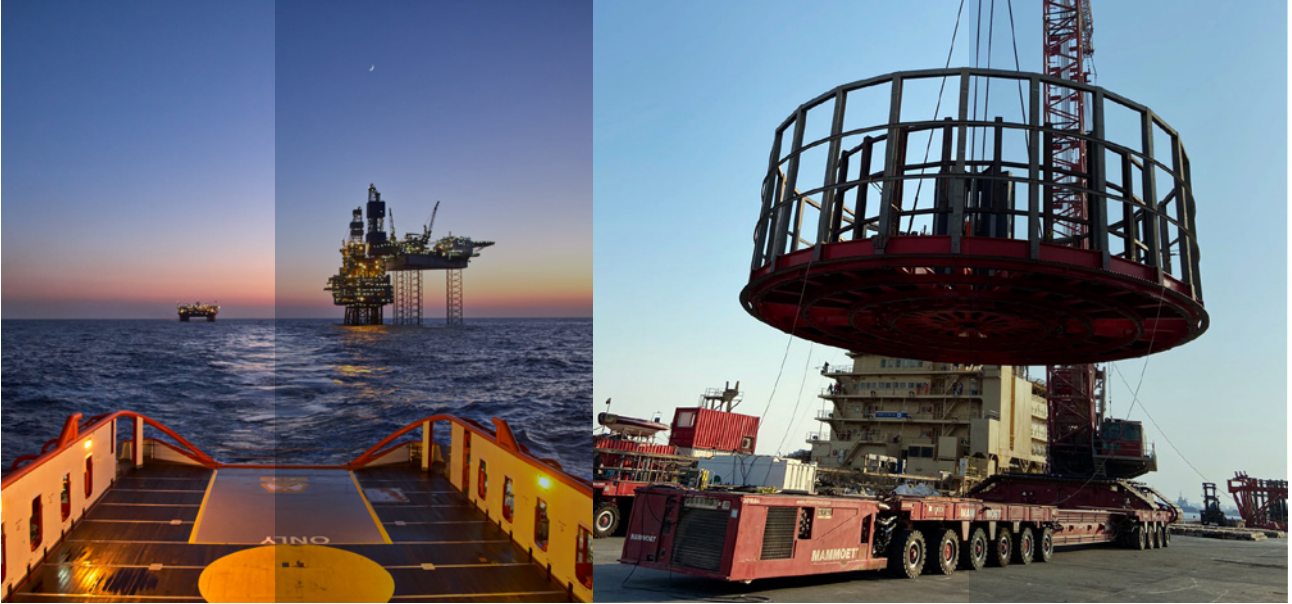

We operate in strict accordance with the GAC Group's Code of Ethics, Anti-Corruption and Bribery, Whistleblowing, Sanctions and Quality policies.
