

GAC Yemen

Providing fully integrated and independent shipping, logistics and marine services in Yemen

Comprehensive coverage and wide range shipping, logistics and marine expertise to help you achieve your business goals.

Delivering your strategy.

Specialist shipping and logistics solutions

GAC Yemen has the expertise and local know-how to be one of the country's leading shipping and forwarding agents.

Established in 1998 GAC Yemen operates from three strategically located offices in Aden, Hodeidah and Sana'a. Over the years we have built close relations with local authorities and private sectors of the shipping, logistics and transport industries.

Strong team

All our staff are highly experienced in their area of expertise. We speak the local language - be it commerce, culture or customs, combining our international experience with local expertise to deliver efficient services tailored to your specific needs.

Ship Agency

We represent tankers loading crude oil at Ash Shihr terminal as well as LNG tankers, break bulk, project, general cargo, Ro-Ro and cruise vessels calling at the Port of Aden, Al Hodeidah, Al Mukalla Ash Shihr terminal, Nishtun, Mokha, Saleef and Ras Isa Marine terminal.

We draw on our local expertise to provide comprehensive ship agency services, port clearances, bunker fuel suppliers, ship supply, crew changes

and specialised offerings such as launch services at anchorage and offshore.

The resources and reach of the global GAC Group enables us to respond to any major incident with a full range of promptly executed medical assistance services.

Protection & Indemnity

When things go wrong on board a ship, time is of the essence. GAC Yemen acts as P&I correspondents for all 13 International Group Clubs, various Fixed Premium P&I clubs and medical assistance companies.

Our P&I team of expert, dedicated claims handlers have the legal and technical expertise and strong relationships with local authorities, port officials, terminals and receivers to help expedite case handling and minimise our Principals' financial exposure.

Bunker Fuels

We work with GAC Bunker Fuels and local contacts to provide IFO, MGO and MDO fuels and lubricants

carefully vetted suppliers who meet internationally approved standards. As ISO 9001 and TRACE certified bunker traders, we promote efficiency at competitive prices and the peace of mind that comes from established credit lines with the world's major suppliers as well as constantly updated price intelligence.

Our bunkering facilities in Aden are well-established. We have a proven track record of supplies via pipe and barge in Aden and by truck to the surrounding ports i.e. Moka Mokala Hodeidah and Saleef. We guarantee a personal and direct connection to see your bunker nomination through to delivery.

Maritime Security

Every week brings news of threats to maritime interests. From pirates to political activists, vessels have to be prepared for the possibility of a hostile environment as they travel the world's shipping lanes.

GAC Maritime Security Services, Powered by AKE, helps you protect your ships, cargoes and crew

Drawing on our local and global expertise, we operate from our strategically located offices in Aden, Hodeidah and Sana'a

from maritime security threats. It combines the resources and reach of the GAC Group with AKE's extensive experience in reducing risk to people and organisations in hostile environments worldwide.

Our methods are tested, effective and designed as non-lethal, and includes on-board crew training, pre-voyage preparation, defensive deck configurations, management training and global maritime security intelligence and reports.

Sea Marshal Embarkation / Disembarkation

Cargo vessels and crew have to be prepared for the possibility of a hostile environment as they travel the world's shipping lanes, including the Gulf of Aden. We have the local expertise and contacts to smooth the procedures for the embarkation and disembarkation of sea marshals on vessels to ensure their safe passage on their onward voyage.

Freight Services

GAC Yemen is an IATA approved provider of freight services. Our

volumes and buying power combined with strong relationship with the world's premier carriers, enable us to offer customers competitive rates and access to capacity even during peak times.

International Moving

GAC International Moving has been helping companies move personnel in and out of the Middle East for more than 30 years, and is a registered member of the world's leading international moving associations. Our experienced packing team ensures that all personal effects and goods reach their destinations in perfect condition - wherever they go.

Ship Spares Logistics

When a vessel needs a spare part in a hurry, it makes a difference to deal with an organisation with expertise in logistics, ship agency and marine services to create dedicated to meeting the needs of ship owners, managers and spares suppliers for fast, dependable and efficient delivery of marine parts, globally. We offer a seamless single source service - from pickup at the supplier's door to
