3. All rates are in Australian dollars (AUD) excluding GST.

7. Booking – A minimum of twenty-four (24) hours prior notice is required.

8. All towage and lines orders received will be carried out to the best of Svitzer's ability. Svitzer does not accept any responsibility for any delay to a ship caused by the detention of a tug or tugs by another ship or from any other cause.

9. The towage rates outlined apply for the first 2 tugs (Standard Towage) up to the maximum time duration. Separate charges for additional tugs (Additional Towage) will apply.

10. Dead ship is applicable when services (whether secured with towline or not) are provided to vessels, not in distress, without normal main engine power and/or without steering within port limits.

11. For any other special services rates and terms are available on request.

12. A reference to a booking includes a booking by the vessel owner, or agent. Services provided by Svitzer will be deemed to be authorised by the vessel owner, agent, or customer, with charges payable in full for those services. Tug tariffs charged by Svitzer as a result of a direction from the Harbour Master, given to the agent, owner or directly to Svitzer, will be deemed to be authorised by the vessel owner or agent.

13. Tug requirement for each vessel movement is at the discretion of the local regulatory authority and/or customer and not determined by Svitzer Australia.

14. To enhance safety of all personnel, all heaving lines are to be as per industry best practice. Lack of weight may be rectified with a Svitzer safe heaving line weight. 17. Payment terms are specified on the invoice issued at the time of service. Invoices outstanding after 14 days may be subject to a late payment charge of 1.5% per month. Ongoing non-compliance of payment terms may result in the 14 day extended payment facility being withdrawn and requirement of payment in part or in full at the time of service.

18. The U.K. Standard Conditions for Towage and Other Services (Revised 1986) (**UKSTC**) shall form part of the agreement for the provision of services by Svitzer. The UKSTC are available at:

TERMS AND CONDITIONS

PORT KEMBLA, AUSTRALIA

SVITZER

1. The schedule of rates outline the services provided, charges, terms and conditions for the safe and efficient arrival, shifting or departure of ships at Port Kembla, effective from 1 April 2022.

2. Towage rates are charged on the basis of gross tonnage (GT) of a vessel as listed in the current edition of IHS Markit (Sea-Web Ships) as the prima facie source.

3. All rates are in Australian dollars (AUD) excluding GST.

4. The towage rates are for berthing/shifting/sailing. All jobs commence at the booked job time or when engaged by the pilot, whichever is the earliest, and concludes when released by the pilot.

5. All rates in the schedule apply at any time on any day.

6. Additional Time is charged if the service takes longer than the maximum time duration.

7. Booking – A minimum of twenty-four (24) hours prior Notice is required.

8. All towage and lines orders received will be carried out to the best of Svitzer's ability. Svitzer does not accept any responsibility for any delay to a ship caused by the detention of a tug or tugs by another ship or from any other cause.

9. The towage rates outlined apply for the first 2 tugs (Standard Towage) up to the maximum time duration. Separate charges for additional tugs (Additional Towage) will apply.

10. Dead ship is applicable when services (whether secured with towline or not) are provided to vessels, not in distress, without normal main engine power and/or without steering within port limits.

11. Volume-Based Surcharge (VBS) is applied in addition to the tariff rate. The VBS is reviewed on a bi-annual (twice yearly) basis and may be adjusted (increase/decrease) dependent upon preceding 12-month towage volume in the Port.

12. For any other special services rates and terms are available on request.

13. A reference to a booking includes a booking by the vessel owner, or agent. Services provided by Svitzer will be deemed to be authorised by the vessel owner, agent, or customer, with charges payable in full for those services. Tug tariffs charged by Svitzer as a result of a direction from the Harbour Master, given to the agent, owner or directly to Svitzer, will be deemed to be authorised by the vessel owner or agent.

14. Tug requirement for each vessel movement is at the discretion of the local regulatory authority and/or customer and not determined by Svitzer Australia.

15. To enhance safety of all personnel, all heaving lines are to be as per industry best practice. Lack of weight may be rectified with a Svitzer safe heaving line weight. Heaving line weights deemed unsafe will be removed and replaced with a Svitzer safe heaving line weight. Svitzer reserves the right to impose additional charges where a Svitzer safe heaving weight is used to replace unsafe heaving lines.

16. The Bunker Adjustment Factor is applicable for all services and will be updated on a monthly basis according to the matrix within this document.

17. Svitzer will not, and must not be asked to, directly or indirectly provide services in relation to any vessel, person, entity or cargo in violation of all foreign trade control and export control legislation, regulations and sanctions, including those imposed by the United States, the United Kingdom, the European Union (EU), EU Member States, Australia, Switzerland, the United Nations or United Nations Security Council. To establish customer identity in compliance with sanctions requirements, any person ordering services from Svitzer on behalf of a vessel (Agent) shall provide the following information at the time of order: Vessel name and IMO number, name of master of the vessel, name of vessel owner, name of vessel manager or operator and name of any charterer. The Agent expressly represents and warrants that he is authorised to make and does make this contract on behalf of the master of the vessel, vessel owner, vessel manager or operator and any charterer. The Agent shall be liable for and shall indemnify Svitzer against all loss, damage, delay, fines, attorney fees and/or expenses arising from any breach of the warranty in this clause 17 and from any other cause whatsoever in connection with the vessel for which Svitzer is not responsible.

18. Payment terms are specified on the invoice issued at the time of service. Invoices outstanding after 14 days may be subject to a late payment charge of 1.5% per month. Ongoing non-compliance of payment terms may result in the 14 day extended payment facility being withdrawn and requirement of payment in part or in full at the time of service.

19. The U.K. Standard Conditions for Towage and Other Services (Revised 1986) (**UKSTC**) shall form part of the agreement for the provision of services by Svitzer. The UKSTC are available at:

<https://www.svitzer.com/standard-conditions>

Notwithstanding anything else contained in this agreement and the UKSTC, the Tugowner shall be subject to any implied condition or warranty provided by the *Competition and Consumer Act 2010 (Cth)* (as amended from time to time) (the **Act**). If, and to the extent the Act applies, in which circumstances, the Tugowner limits its liability for breach of such implied condition or warranty to supplying the service again or the payment of the cost of having the service supplied again, as determined by the Tugowner.

20. Assistance will be rendered promptly if at any time an incident occurs or situation develops (outside the scope of normal harbour towage operations) that threatens the safety of a ship or its crew, port infrastructure, the environment and/or the community. Svitzer reserves the right to negotiate the terms under which such assistance is rendered.

21. A minimum of 30 days' notice will be given for any amendments to this schedule, which may be effected by Svitzer from time to time. Other surcharges may be imposed by Svitzer with 30 days' notice.

22. A Bunker Adjustment Factor (BAF) applies to applicable to all towage services. The BAF is based on the monthly average per barrel price of Gasoil in Singapore (P MOPS Gasoil 0.5% Strp USD/bbl, Platts index AAPJY00) published by S&P Platts, and the monthly average rate of exchange between USD and AUD as published by the Reserve Bank of Australia. U.K. STANDARD CONDITIONS FOR TOWAGE AND OTHER SERVICES (REVISED 1986)

(b) The Hirer shall (except as provided in Clauses 4(c) and (e)) be responsible for, pay for and indemnify the Tugowner against and in respect of any loss or damage and any claims of whatsoever nature or howsoever arising or caused, whether covered by the provisions of Clause 4(a) hereof or not, suffered by or made against the Tugowner and which shall include, without prejudice to the generality of the foregoing, any loss of or damage to the tug or tender or any property of the Tugowner even if the same arises from or is caused by the negligence of the Tugowner his servants or agents.

(c) The provisions of Clauses 4(a) and 4(b) hereof shall not be applicable in respect of any claims which arise in any of the following circumstances:-

(i) All claims which the Hirer shall prove to have resulted directly and solely from the personal failure of the Tugowner to exercise reasonable care to make the tug or tender seaworthy for navigation at the commencement of the towing or other service. For the purpose of this Clause the Tugowner's personal responsibility for exercising reasonable care shall be construed as relating only to the person or persons having the ultimate control and chief management of the Tugowner's business and to any servant (excluding the officers and crew of any tug or tender) to whom the Tugowner has specifically delegated the particular duty of exercising reasonable care and shall not include any other servant of the Tugowner or any agent or independent contractor employed by the Tugowner.

(ii) All claims which arise when the tug or tender, although towing or rendering some service other than towing, is not in a position of proximity or risk to or from the Hirer's vessel or any other craft attending the Hirer's vessel and is detached from and safely

clear of any ropes, lines, wire cables or moorings associated with the Hirer's vessel. Provided always that, notwithstanding the foregoing, the provisions of Clauses 4(a) and 4(b) shall be fully applicable in respect of all claims which arise at any time when the tug or tender is at the request, whether expressed or implied, of the Hirer, his servants or his agents, carrying persons or property of whatsoever description (in addition to the Officers and crew and usual equipment of the tug or tender) and which are wholly or partly caused by, or arise out of the presence on board of such persons or property or which arise at anytime when the tug or tender is proceeding to or from the Hirer's vessel in hazardous conditions or circumstances.

(d) Notwithstanding anything hereinbefore contained, the Tugowner shall under no circumstances whatsoever be responsible for or be liable for any loss or damage caused by or contributed to or arising out of any delay or detention of the Hirer's vessel or of the cargo on board or being loaded on board or intended to be loaded on board the Hirers' vessel or of any other object or property or of any person, or any consequence thereof, whether or not the same shall be caused or arise whilst towing or whilst at the request, either express or implied, of the Hirer rendering any service of whatsoever nature other than towing or at any other time whether before during or after the making of this agreement.

(e) Notwithstanding anything contained in Clauses 4(a) and (b) hereof the liability of the Tugowner or death or personal injury resulting from negligence is not excluded or restricted thereby.

5. The Tugowner shall at any time be entitled to substitute one or more tugs or tenders for any other tug or tender or tugs or tenders. The Tugowner shall at any

time (whether before or after the making of this agreement between him and the Hirer) be entitled to contract with any other Tugowner (hereinafter referred to as "the other Tugowner") to hire the other Tugowner's tug or tender and in any such event it is hereby agreed that the Tugowner is acting (or is deemed to have acted) as the agent for the Hirer, notwithstanding that the Tugowner may in addition, if authorised whether expressly or impliedly by or on behalf of the other Tugowner, act as agent for the other Tugowner at any time and for any purpose including the making of any agreement with the Hirer. In any event should the Tugowner as agent for the Hirer contract with the other Tugowner for any purpose as aforesaid it is hereby agreed that such contract is and shall at all times be subject to the provisions of these conditions so that the other Tugowner is bound by the same and may as a principal sue the Hirer thereon and shall have the full benefit of these conditions in every respect expressed or implied herein.

6. Nothing contained in these conditions shall limit, prejudice or preclude in any way any legal rights which the Tugowner may have against the Hirer including, but not limited to, any rights which the Tugowner or his servants or agents may have to claim salvage remuneration or special compensation for any extraordinary services rendered to vessels or anything aboard vessels by any tug or tender. Furthermore, nothing contained in these conditions shall limit, prejudice, or preclude in any way any right which the Tugowner may have to limit his liability.

7. The Tugowner will not in any event be responsible or liable for the consequences of war, riots, civil commotions, acts of terrorism or sabotage, strikes, lockouts, disputes, stoppages or labour disturbances (whether he be a party thereto or not) or anything done in contemplation or furtherance thereof or delays of any description, howsoever

caused or arising, including by the negligence of the Tugowner or his servants or agents.

8. The Hirer of the tug or tender engaged subject to these conditions undertakes not to take or cause to be taken any proceedings against any servant or agent of the Tugowner or other Tugowner, whether or not the tug or tender substituted or hired or the contract or any part thereof has been sublet to the owner of the tug or tender, in respect of any negligence or breach of duty or other wrongful act on the part of such servant or agent which, but for this present provision, it would be competent for the Hirer so to do and the owners of such tug or tender shall hold this undertaking for the benefit of their servants and agents.

9.
